Fabulous! Oh, I'm so glad to hear that. We'll need to ask FQM to bring the LEVAS hymnals over from the commons at 120. I'll take care of that.

And we are adjusting the middle chairs to a 9:15am setup and putting up tables for food on the north and south sides under the balconies. Mandy and I are doing a setup walk-through rehearsal for this on Thursday at noon!

Janet,

We have 200 on hand, in the curtained storage area by the kitchen at SPC.

Do you already have the LEVAS books there? Are you handling that?

What is the chair setup for the event? Remember there is not much time between SPC-1115 and SPC-1330?

Hi Scott,

I know we've discussed this on and off, but have we placed an order for new 1982 hymnals? And is it possible to receive them before this Sunday, June 9<sup>th</sup> in time for the Hymn-sing? I think we'd want 50-75 copies.

Janet
